Exceptionally well manned young heifers to handle. All led up the race easily, just a bit of anxious pushing at times. All stepped on the scales, and exited the side gate of the crush without hassle. Let out into the laneway for photos. One heifer with a bigger flight one that was a bit stirry after coming through the race/crush. Listed above as stirry.

Assessor Comments	Very nice line of heifers to take on! The Ross & Spurgeon family offer their 2023 drop, draft of Angus heifers. Upper Murray bred, out of a well known herd of big framed Llandarlo Angus blood matrons, by Llandarlo & The Glen Angus sires. Cattle that draw repeat attention from buyers for their easy doing, soft style and positive growth patterns. Versatile cattle, that would suit to grow out & put a bull over, or continue on grass for the domestic or export markets. Notably long, with good depth and bone, and very good skin, as well as a very pretty 'true to type' Angus head. Buyers please Note. Buyer has another lot of the heavier sisters in same sale to make up a load. Note. 2 pick up points.
