Assessor Comments	Spring '23 drop Hereford & Hereford X heifers that have done it a bit tough but will absolutely explode on spring feed. These heifers weighed 256kg full (207-327kg) and are all frame with enormous compensatory gain potential. These steers are grassfed fed and antibiotic free eligible being part of the Greenham Never Ever program. They would be ideal to grow out join or kill weights. Please note, vendor has also has two other lots in this sale.
