Assessor Comments	35 NSM Black (31) & Red (4) Baldy Heifers Acc. Billabong Beef Company - Bungowannah. Heifers present in forward store condition. Bred by Ardrossan Angus cows & sired by Injemira Poll Hereford bulls. Bull selection is a stringent process for the vendor where key traits such as strong carcass attributes, structure & calving ease are all a major focus. The above heifers would generally be carried through to the spring for the kill market but unfavorable season conditions has forced them for sale. These heifers being 20-22 months of age, carrying little excess condition will see large compensatory weight gains in the foreseeable future if shown the appropriate feed & nutrition.
