Assessor Comments

An opportunity to purchase a quality line of 68 Black Baldy steers, which are pure Barwidgee blood. These cattle present in forward store condition with plenty of frame, these steers are generally grown out to feeder weights and only being offered for sale due to very tough autumn and winter in south west Victoria. Small percentage of steers have old blue eye scarring not considered detrimental All cattle on 'Brandon' are run on a rotational grazing program and are extremely quiet cattle to handle and come with our highest recommendation. Please note vendor has two other lots in this sale.
