Temperament

Yards	Crush	Paddock
Quiet: 81 head Slightly Stirry: 10 head	Quiet: 89 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

Steers were good to weigh across the scales with only a few getting worked up, out in the holding paddock they did circle a bit getting the photos nothing to worry about just eager to get back to their paddock. Once let out the all walked back in a casual manner.

1 Head	Eye Scaring - Light

Assessor Comments Waterloo Ag will offer 91 Hereford Steers, March/April '23' drop, Injemira Bld, weaned, PCAS, Grass Feed & Antibiotic Free. Steers will present genuine healthy store condition all having been weighed from 320 - 417kg ave 355.6kg. Outstanding line of Hereford steers that come with over 70 years of breeding, these steers display great length, depth, width and bone all the breeding shining through. Steers consistently are turned off at 21 -22 months of age as bullocks or to the trade. They are only being offered due to seasonal conditions. Steers come with my highest recommendations and will flourish given feed in front of them, they are all frame and ready to stack the weight on. Bid confidently knowing you are buying top Hereford genetics that come with an excellent health status and years of breeding. Vendors also offering 49 Angus & Angus X steers in this sale.
