Bull was very easy going when in bigger yard with a handful of females. When drafted off and pressure was applied to put him up the race he slightly stirred but showed no signs of being aggressive.

Assessor Comments	Valley View Fiddler - Registered Purebred Droughtmaster Bull Born 17.9.21. A good quality moderate framed young Bull ready to work. This Bull was purchased out of the 2023 Droughtmaster National Bull Sale to put over a small group of females. Keen to work, he has done his job with his current herd and is actively looking for his next lot of girls, so would be more suited to a larger herd or someone that has good quality fencing. Pedigree confirmation attached, this Bull was easy to handle at assessment and will be an asset to any herd.
