Very quiet cows to handle through the whole process, would suit anyone looking for a small mob

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	PTIC Hereford & Hereford Santa cross cows that are only being sold as these are the last cows that are not black in the herd. Good sound productive cows that are well in calf to the Angus bulls. The other cows in this joining group have just started calving. Very quiet and would suit a small block or anyone with kids wanting cattle that they can easily work. Some cows are cleaning up in the coat and rubbing, may need a lice backline.
