	Cows moved through the yards very well.		
Handled With	Bikes , On foot , Vehicles		

Assessor Comments	Buyers a neat line of 12 well bred PTIC Hereford Cows. 3.7-4yrs these young Cows are bred out of Stud cows purchased from the Thornleigh Hereford dispersal in 2020 by Wirruna Poll Hereford bulls. They are a nice even line with a nice frame, length of body and a good depth to them. They will continue to develop into great matrons going forward. They have been preg tested up to Wirruna Mayfair M124 for an Aug-Oct calving. Nice quiet easy to handle cows. Note buyers 2 cows have a horn turning back towards head but will be trimmed prior to delivery
