Assessor Comments	Offering 53 VGQ Angus Cross Feeder Heifers. These heifers were 426.5kg live at assessment with a weight range of 360kg to 514kg. They are mainly purchased in heifers as weaners from the Roma area, last year and have done very well over the past 10 months. These heifers are the perfect feeder article that have all been vet PTE with a certificate available and weighed into a tight weight range ready to go on feed. Please note there are another 4 decks of feeder heifers available from the same vendor in todays sale that may assist with freight. Also note that the buyers have the option to purchase these cattle on a \$/kg basis to give the feed lotter full confidence when buying.
