Assessor Comments	Buyers on offer are 102 GQ Weaned EU steers for your competition, Steers that would suite backgrounders looking to put a few steers away and take through to heavier weights. Steers would suite domestic/export markets and show all attributes to grown out into a good line of feeders or Bullocks at a young age for intending buyers. Steers stand and good bone and show plenty of frame whilst presenting in store condition. This is your chance to secure 3 decks of vendor bred EU weaned steers that will come with plenty of compensatory weight gain given the right opportunity.
