| Assessor Comments  | 12 Angus Sired weaned steers, presenting in healthy store condition. Steers averaged 165kg full at assessment. Steers were purchased out of the local Hunter Region & New England weaner sales. The steer's temperament was a feature, being very quiet and well handled by the vendor, particularly in the paddock for media purposes. Purchasers, please note: 1 steer was noted to have healed pink eye scaring. Sale presents an opportunity to purchase low-dollar, lightweight, weaned steers to retain and background for the Spring. **Buyers Please Note Vendor has 2 other lots in today's Sale** |                |                  |
