Flowed well around yards and through crush

Handled With

Bikes , Dogs , Horses , On foot , Vehicles

Notable Traits

Traits

1 Head blue eye

1 Head white belly

Assessor Comments

Good line of 8-13 month old Angus and Angus cross weaner steers presenting in store condition. Steers are well handled

and are in perfect condition to go ahead on winter crop offering large compensatory weight gain. Steers handle very well through yards and have been educated well in paddock with dogs and bikes and side by sides.
