Assessor Comments	A nice even line of 24 Limo Heifers. These Heifers are Garren Park Limo Bloodlines and are showing a great deal of shape, length and type to them, are only 12-14 mths with very good weight for age and will continue to do on both grass or grain. Heifers are only needing the finishing touches for a very neat trade body or are joinable to take on for future breeders, coming from a very good cow herd with good milk, shape and type. Vendor has a lot of steers in the same sale.
