Assessor Comments

A nice even line of 23 Limo Feeder Steers. These steers are Garren Park Limo Bloodlines and are showing a great deal of shape, length and type to them. Steers are only 12-14 mths with very good weight for age and will continue to do on both

grass or grain. Steers are only needing the finishing touches for a very neat trade body or will have been grown into heavy export bullocks when given the time. Vendor has a lot of heifers in the same sale.
