Handled With

Heifers have been well handled and educated. they flowed through the yards with no stress at all.

Bikes , Vehicles

Assessor Comments	An excellent line of Angus and Angus cross heifers showing excellent weight for age and displaying in forward condition. these heifers are sired by Connamara angus bull out of large, framed angus and angus/Simm cross cows. Heifers are up to date with animal health treatments and would be ideal heifers to put straight onto feed. 3 heifers noticed white some white markings on belly/udder. heifers handled extremely well and showed quiet temperament during the assessment.
