Assessor Comments	A very nice line of Angus future breeders, 14 - 15 months old. Heifers with style and shape. These heifers are going well through winter up to date on a strictly grass diet with access to a little bit of hay. These heifers are not far off from being able to be put to the bull of your choice. Handled well through the yards, and have a very quiet nature. In forward condition with a hairy winter coat. An odd heifer with ringworm. (See photos) Vendor has 3 other lots in same sale.
