Assessor Comments	REU PTY LTD are offering a line of exceptional Angus steers that present with loads of frame and bone. These Angus Steers are 10 to 11 months of age and are pure Toora West blood. They have been weaned since the 1 of May and received a Drench & 5in1 at weaning. These calves present in healthy store condition and represent a great opportunity to secure steers with excellent weight and frame on the verge of spring. Given the right nutritional plan they will grow into excellent feeder steers of Ox.
