Assessor Comments

A nice line of Angus/Friesian X Steers that are only just 13 to 14 months old. These steers were extremely quiet to handle in the yards and crush. Purchased in January this year out of Mortlake as calves these steers have performed well and have been gaining weight daily on the Berasaca Crop. They are bred by AI Angus Sires out of good Friesian Cows. These steers

Assessor	have got good frame and bone and will continue to grow on given the right feed. Bernie Grant (Level 1 Accredited) Phone: 0417 712 144
