Assessor Comments	An outstanding run of Angus feeder Steers from the Kerr Family that show great weight for age with all steers being weighed 450kg and above. Steers are sired by Top end Pathfinder and Stoney Point sires with no money being spared. Steers show great length and depth and are ready to explode whether being on grass or grain. These steers are Greenhams Never Ever Accredited, Grass Fed only and Antibiotic free. These steers will not disappoint for the successful purchaser and come with my highest recommendations.
