Assessor Comments	High quality young Angus cows that have all reared calves previously and all are PTIC again to high marbling Wagyu bulls with a tight calving window, vet scan indicates 5 oct until 20 oct, please see attached document. Only offered due to seasonal conditions otherwise would be retained to produce F1 Wagyu Angus progeny for high end beef. These young cows are very quiet and are a pleasure to handle they would be a welcome addition to any herd, ideal young cows with the hard work all done. A full animal health program is in place with all treatments and vets calving dates attached to the assesment. Please note vendor has 1 other lot of PTIC young Angus cows totalling 52 head, the other lot are the later calving portion of these cattle.
