Assessor Comments

240Hd of Angus X steers offered run out the gate in two trucking lots of 120Hd. These Angus X steers have been drafted into a very good weight range of 300-400kg to average 339kg at delivery. Steers are predominantly Angus X Santa, Hereford and Brangus and were bought from Southern QLD and Northern NSW as weaners. These Angus X steers were exceptional to handle through the yards and were photographed after a 24hr curfew.
