	Very good to handle in the yards moving very calmly through the race & yards requiring normal blocking through gates. The odd heifer doubled up in the race however block easily with a small number fidgety on the scales eager to exit the crush yet calm well when in the mob. Very inquisitive in the photo yard - constantly following around not phased at all or startled.

Assessor Comments	Very good quality Santa, Santa cross & Char/Santa cross heifers suitable to background as feeder weight heifers or keep as future breeder replacements. Heifers with good growth and frame to add weight. HGP free - bone and stretch - very good quality. Approx 8 are from the Bendalla Santa Stud or commercial herd & the balance are from top quality enormous frame Santa, Santa/Char cross cows purchased in March 2023 that began calving out in August 23 from "Paradise Downs" Blackall - a highly regarded & top quality herd. 2 family brands. Assessed on a large dry curfew, trucked to Blackall and will be on hay until delivery - please consider any additional weaning or transport shrinkage over and above in your pricing.
