Assessor Comments	Buyers a very good line of 52 Angus and Angus cross Steers that present in good store condition. They stand on good bone along with good confirmation & have all the right attributes to make these steers reach their full potential. These steers are very tidy around the head with the majority being polled. This is a strong selection criteria when vendors are selecting their bulls. One steer noticed to have slight scaring in one eye, however there doesn't seem to be a problem with vision. Steers have been on oats since the 2/6/24 and are starting to do well, they have dags around tail from the oats. A good line of Angus and Angus cross steers that will not disappoint any buyer.
