Assessor Comments	On offer is 141 (4 decks) of Charbray Cross weaned steers that average 261.9 kg at delivery. Steers show good bone and length of body to grow out to good heavy feeders or export bullocks if given the chance. Steers will have been weaned for 2 weeks by the time delivery comes and vendor takes great pride in educating his cattle. Purchasers please take note 13 steers are a family brand are a different ear tag but are by same cattle. A large compensatory gain on offer for these cattle being locked up for a period and I expect them to bounce away on good feed. Local transport can be arranged. Buy with confidence.
