Assessor Comments	Buyers, this is a great line of top quality weaned Angus steers averaging 312kg. These steers show great muscle, length and softness. Steers have tremendous breed type with volume and spring of rib. Steers have nice depth of flank and bone. These steers are bred out of medium to large frame soft Angus cows by top Hazeldean & Burenda Angus stud sires. Steers were very good to handle through yards. Note 1 steer small white dot on sheath. Vendor has heifer line in same sale.
