|                    | Steers behaved very well through yards considering only second time back through since weaning. Only a few stirred up slightly in crush but settled well once returned to mob                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                         |                             |

| Assessor           | Buyers here is an opportunity to secure a VGQ 3 deck line of weaned Steers . These steers have the Ideal three way cross of British/Euro/Bos Indicus which has helped the Wansey Downs cattle achieve a great reputation for performance on grass or grain and are highly sought after by repeat buyers when normally sold at heavier weights. Steers present in good store condition after weaning a month ago and a run of frosty weather since assuring good compensatory gains for buyers Ideally suited to take through to Domestic or Heavy feeder weights or alternatively will suit all Pasture fed programs having never had HGP, grain or antibiotics. Please note 2 steers have slight blight scarring in one eye, several showing some lice rub marks and several having some Noogoora burr in coat not considered detrimental. |                         |                             |
