| Assessor Comments | Buyers, this is a great line of well bred weaned EU Angus & Angus cross steers that ave 307kg. Steers are antibiotic free & grass only eligible. These steers show tremendous softness with muscle. Steers have good depth of flank and are extremely long. Steers have nice spring of rib, with plenty of volume to fill out. They are out of Medium to large frame soft Angus cross cows by top quality stud Lawson, Hazeldean & Carabar Angus sires. Steers worked very quietly through yards and have been very well handled outside. Vendor has other lines in same sale. |
