Assessor Comments: Buyers on offer is a small line of very well bred F1 Speckle Park Weaners. These Steers are out of a tremendous line of New England bred Angus Cows by market leading Speckle Park Sires. At a young age these Steers are showing fantastic shape and muscle expression and will grow out to suit all domestic and export markets. This quiet line of cattle would be

	the ideal lot for a small operation wanting quiet, hassle free cattle to grow out. Great line of Steers not to be missed.
