Quiet: 15 head	Quiet: 13 head Slightly Stirry: 2 head	Temperament not assessed in Paddock

Quiet draft of Heifers that were easy to handle during assessment process. they drafted well and walked through crush. heifers worked well .

Handled With Bikes , On foot , Vehicles

Assessor Comments A smaller draft of Heifers with some quality breeding in them, these Heifers would be great heifers to put on Oats crop and grow to trade weights. A nice cross of the Santa/Charolais bloodline which has given them good frame and length with potential to grow on good feed, they display softness with this cross. With a drench and feed these Heifers will surprise you. this vendor also has his draft of 47 Steers in this Auction
