Assessor Comments	A soft line of 17 weaned vendor bred santa x heifers. Heifers were weaned in early July where they were worked with horses, dogs and hit with their vaccinations. These heifers would make ideal future breeders due to their quiet temperament but also would make ideal backgrounders as they would suit all feeder markets like woolies, coles or 100 days due to their quality. The vendor has pretreated these heifers and will guarantee clearance, but cost is on the buyer.
