| Assessor Comments  | A great yard of Vendor bred, F1 Wagyu weaner heifers that are powering ahead well. These weaners are quiet and very good to handle through the yards. They are off a horse stud and have been rotational grazing since weaning on fresh green native grasses. They are by Wagyu bulls and are out of quality Angus cows that are by Knowla, Dunoon and Dulverton sires. Please note vendor has another 26 weaner steers in this sale. |
| Assessor           | <b>Madison Teague (Level 3 Accredited)</b>                                                                                                                                                                                                                                                                                                                                                                                            |
