Steers were good to handle and very calm to move through yards. They fed up to the race with ease and were relatively calm being weighed in the crush and on the scales.

Assessor Comments	Presenting an eye catching line of 'Rockingham' Santa & 'Rennylea' Angus infused steers that are very quiet and were assessed with ease. These Santa & Santa X steers display excellent weight for their age and are in forward condition with plenty of compensatory weight gain for the prospective purchaser if given the chance to. 2 steers were noted to have old cloudy eyes but still had vision in them. Another 2 drafts of steers from the same vendor are also in the same sale giving the opportunity to put together 90 steers.
