Assessor Comments	A Outstanding line of vendor bread Angus x Angus weaned steers presenting in forward condition, showing good length of			

body, depth and thickness all the way through. Steers have been weaned for over 3 months and breed in the cold country so they will only go forward for you with all the hard work been done. Proven performers year in year out will be perfect to carry onto feeder or kill weights, all steers are Lawson blood and all presented with a quiet temperament when working in the yards
