Assessor Comments	Quality line of stylish pure Rennylea blood Heifers, out of an outstanding herd of high fertility breeders. These heifers are the last draft with only some Heifers retained in the herd. The heifers carry a full lifetime traceability and have proven history of marbling and feedlot performance and were very good to handle through yards and crush. Genuine line of herd improvers. please note odd heifer showing sign of old ringworm and lice scarring, both have been treated for and deemed not detrimental to sale.
