Assessor Comments	A nice line of ten pure Bongongo Angus blood and three Bongongo x Yavenvale EU accredited steers that would be perfect to take on for a quick turnover. The vendor has been breeding quality cattle for over 12 years sparing no expense on the production of this line, unfortunately the neighbours bull gained access, siring 3 steers in this lot. The three black baldy steers are a testament to hybrid vigour weighing in at 488, 444 and 435 respectively. This line represents an opportunity to purchase quality bred steers in a positive marketplace.
