Assessor Comments	The Nicholson family offer a small consignment of Angus steers. Vendor bred, weaned and grass assured, sired by Table Top Angus bulls. Steers were weaned early due to the tight season, and have been fed silage since. Great opportunity to buy well bred steers in genuine store condition, plenty of compensatory gain. Please Note: Bathurst burr seed observed in coat. Please Note: Vendor is also offering heifers in the same sale, no weaners retained.
