	Quiet and easy to handle, 2 heifers did move around in the race and on the scales, once released from the crush they were calm and settled. Cattle have been constantly fed since weaning, are well used to tractors, cars, bikes etc.

Assessor Comments	The Nicholson family offer a consignment of Angus heifers. Vendor bred, weaned and grass assured, sired by Table Top Angus bulls. Heifers were weaned early due to the tight season, and have been fed silage since. Great opportunity to buy well bred heifers in genuine store condition, heifers that would suit a number of enterprises. Please Note: Bathurst burr seed observed in coat. Please Note: Vendor is also offering steers in the same sale, no weaners retained.
