Assessor Comments	42 Angus Yearling Steers - SHS Civil - Tops of the drop, top quality line of well grown for age angus steers. Principally Murdeduke, Francs & Te Mania bloodlines SHS Civil have been selecting sires for above average 400 day growth & muscle. There is a long history of performance from this herd (ST Hamilton) with both steers & heifers always having fed on well and these i expect will be no exception with steers gaining weight in an Ararat winter. Steers will be ideal to take out to Feeder weights or grow on to bullocks. Drenched & Vacc at weaning they are ready to bounce away with the spring. Reserved \$1200
