Assessor Comments	Rocklyn Park, Hamilton, Vic will offer 41Angus Heifers, August/September '23' drop, Dollar Angus Bld, Weaned, Grass Fed & Antibiotic Free. Heifers will present in healthy store condition weighed from 219 - 285 Ave 243 kg at assessment. Extremely well-bred line of Angus Heifers on offer that won't disappoint, heifers would be ideal to grow out and join to the bull of your choice later on or ideal to background and finish later on. Heifers are very quiet and bred from an excellent cow herd, cattle have performed very well for previous purchasers. Heifers are really just starting to thrive after a very dry Autumn/Winter, and will take off given feed in front of them.
