Assessor Comments	Outstanding line of well bred young steers that can be purchased with confidence. Steers are out of large frame angus cows and present in forward condition displaying frame, depth & softness. Steers commenced yard weaning at assessment on good lucerne hay and will remain until delivery. Cattle were pleasure to work through yards displaying good temperament. Buyers please note - vendor has another lot of heifers in this sale of 25 heifers same description. Very Small percentage of cattle showing signs of lice or ringworm not detrimental at all to animal - vendor has treated with Dectomax 31/7
