Cows were very easy to poke through the yards. These cows have had plenty of handling. Would suit all livestock handling ability.

Assessor Comments	Buyers, on offer are 26 PTIC genuine 3rd Calvers that present in their working clothes. Cattle have been running on short native pastures and have been regularly hand fed that have allowed these cows to be extensively handled. An Ideal article to put away before spring. Retain as future breeders or calve out and split for the trade. Please note 10 Cows were showing signs of lice and rub marks. For further information please call.
