| Handled With       | Majority of cows handled well through the yards though 4 cows were quick to move away from you. 1 Cow left the crush quite flighty. All cows soon settled again once returned to the paddock.<br>On foot , Vehicles                                                                                                                                                                          |                                                             |                                        |
| Assessor Comments  | A pen of well bred Store Angus cows PTIC to the Angus sire 7/3/24 to commence calving Early September. These cows present in store condition after a tough run through a wet and cold winter. With the opportunity these cows would improve greatly in the spring.                                                                                                                           |                                                             |                                        |
