Assessor Comments	A nice line of two decks of light weight weaner steers that have had all the hard work done and are ready to explode. Steers were weaned onto frosted Rhodes grass and have had access to rye grass for two weeks and are on a raising plain of nutrition. Steers would make a nice line with a better opportunity. Two steer noted to have old pink eye scarring and three steers were cut at assessment. Buyers please note that pick is only Monday or Tuesday next week.
