Handled With	Heifers were very good to handle in the yards, walked up race very quietly and were a pleasure to handle alround. Bikes , Vehicles		
Assessor Comments	Lovely lot of 49 heifers that the vendors had planned to join. Heifers have been given all the necessary treatments including a pestiguard program and two 7in1 shots. Heifers are very well grown with good weight for age and are in ideal joining condition. Purchased from the New England as 100% LT however two NLIS tags have been lost in the interim.
