Assessor Comments	On offer from "Katalpa Stn" are 82hd of very well bred and well handled steers. Line consists predominantly of vendor bred Herefords that have been sired by high indexing "Oldfeild poll Hereford" bulls over large framed "Williams cattle co" cows, With the balance being bred from a renowned SA pastoral property. Steers present in strong forward store condition weighing 300-467kg to av 377kg at assessment. These cattle are very much on the do and would preform well in the paddock or feedlot alike, with animal health treatments up to date all the hard work has been done.
