Handled With	STEERS WORKED WELL THROUGH YARDS AND CRUSH. Bikes , On foot , Vehicles
Assessor Comments	On Offer are 30 Angus x Charolais Steers, these steers have an average live weight of 411 kg at assessment. They are ideal feeders, suitable for putting on feed and taking through to trade or export weights. Currently, they have been grazing on winter wheat crops and lucerne silage, resulting in good weight gains. The steers show excellent signs of length and stretch, along with good frame.
