Assessor Comments	A nice even line of 16 Weaned Angus & Angus X Steers. Buyers these steers are based on Glengowan Angus bloodlines are 11-12mths of age and are showing good growth for age. Nice long steers with good depth and bone to them these steers have previously grown into very good heavy feeders or taken onto kill steers. Steers are nice and quiet and a pleasure to handle. Steers ready to take on into the spring on fresh feed!!
