Assessor Comments	Excellent quality younger draft of "Yammatree" heifers that have been on feed since April and have done exceptionally well since then. In this line there is 216 heifers in a really tight weight range of 300-360 kg to be sold as two even runs out the gate and they really look a picture. The "Yammatree" cattle have a great reputation with many feedlots and we have had great feedback from past purchasers.
