1 Head	Old eye scarring (1 eye only). Not detrimental in assessor's opinion.

Assessor Comments	Quality line of very well bred hereford steers. The Crain family have been breeding top quality Hereford cattle for years, using the Yukon Park Poll Hereford sires which really puts that cherry red coat through them. These steers given the opportunity would grow into magnificent bullocks. Past purchasers have been more than happy with the way these cattle have performed. These steers are eligible for grassfed programs and are anti-biotic free.
