Assessor Comments	On offer is a quality line of NSM Future Breeder Angus Heifers. These Heifers are bred out of large to medium frame Angus cows with 37 years of Arden Angus genetics running through their blood. Excellent opportunity to purchase a quality line of ideal heifers for a spring joining, or these heifers on offer would be well suited for a backgrounding program. Heifers have had all the health treatments and are ready to power ahead come spring. The McMahon family of Bahwidgee are renowned for turning off quality weaners to the market which are proven preforming cattle and are highly sort after by repeat buyers.
